LE NOTIZIE DI TREVOR

We've wasted no time in settling into the new school year. Our mantra this year has been 'Day 366' meaning that our work is continuing on, without interruption from 2019!

LEARNING TO LEARN

The first 7 days of school were focused on working through our Learning to Learn Program. Each year the program allows our school to prioritise the time for staff and students to get to know and understand each other. Sometimes this work can be dismissed as unimportant, but it is actually crucial and has a significant impact on the learning environment for the remainder of the year. Thinking about the idea **'start how you want to finish'**, our Learning to Learn program enables us to create an outstanding learning environment for staff, students and families.

The program helps us to do the following:

- ◆ Provide the opportunity to establish collaborative working environments for all students
- ◆ Develop a shared understanding of the positive behaviours of learning at BPS
- ◆ Strengthen and embed the values, shared vision and Character Strengths across the school
- ◆ Allow our students to identify the unique qualities they have that make them unique
- ◆ Assist students and staff in making the transition into new learning areas and new people to our school community
- ◆ Provide students with an understanding of different strategies that will assist them in their learning and making positive choices as members of the BPS Community
- ◆ Celebrate our schools commitment to student success - academic, social & emotional and behavioural

As we transition from our Learning to Learn program into our regular learning program we still reinforce the concepts and skills that we have covered and we teach and reteach concepts to support all our students to reach their full potential.

LEARNING AREA INFORMATION SESSIONS

On **Tuesday 18th February** from 4.00-5.00pm we will be holding our Learning Area Information Sessions. These sessions are beneficial for families to ensure they are informed of the happenings

in each learning area and some of the structures and procedures in place. The teachers will talk you through what the students are learning and how you can support learning at home. It's also a great chance for you to meet the teachers (if you haven't already) and get to know some of the families in your child's learning area.

This session will be followed by our Welcome Picnic from 5.00-6.00pm. We will be cooking up a barbecue and have some drinks available for purchase or you can choose to bring your own picnic. This event is an opportunity to connect or reconnect as a whole school community and welcome in the new school year. The Welcome Picnic is a symbolic event at BPS as each family is at a different stage in their journey at our school. For some this is the first impression of our welcoming and vibrant community and for others it marks the beginning of their final year at our school, with many others somewhere in the middle.

SCHOOL COUNCIL

We are calling for nominations for our 2020 School Council. Information about this was sent out via Compass last Monday and is on display around the school. All nominations need to be received by **Monday 17 February at 4.00pm** and then we can announce whether we have filled all positions or need to go to an election.

I'd like to officially thank the departing members of our previous School Council: **Jane Scammell, Petra Stock, James Henry** and **Ivana D'Aprano** for all your support over the last two years. For those who are considering running, this is a rewarding way to contribute to the governance of our school, while working alongside myself and the staff.

If you're not up to the task of School Council, you might consider joining one of our Sub-Committees. These committees work under a convener and take on the delegated responsibilities of **Policy, Buildings & Grounds, Community & Fundraising, Finance and Bilingual Education**. Members are always welcome if the sub committees have room and after our new School Council is formed the conveners will put out information on how to join.

STUDENT LED CONFERENCES

These will occur on **Monday 23 March** and **Tuesday 24 March** and during these sessions our students will share their Learning Goals, which have been developed alongside their teachers. It is important that your child is part of these meetings as their role is crucial in leading this process.

FEEDBACK

We always welcome feedback at BSPS and different sources help us make informed decisions that are in the best needs of all students. I do especially love receiving positive feedback. It affirms the importance of the work we do as a school and builds the sense of pride we have in our community. This week I received a lovely message from a Foundation parent, which I wanted to share with you:

Ciao,

I just wanted to say a huge thank you to you all, Nancy and the foundation team at Brunswick South Primary School.

My daughter came home on Friday and said the word 'allora' and I knew this was the school for her. She was hesitant to attend school at first, but as the first week progressed, she enjoyed it more and more. I love that Italian is a big part of the school program - a very important reason why we wanted our daughter to attend Brunswick South Primary School.

Thanks for making the transition from kindergarten to primary school a smooth one for all involved.

GRAZIE

**Have a fantastic fortnight,
Trevor.**

RECONCILIATION ACTION PLAN (RAP)

This year at BSPS we are excited to begin undertaking our Reconciliation Action Plan (RAP). A RAP is a formal statement of commitment to reconciliation. Our school will be utilising the online Narragunnawali portal to guide and record the steps we take to develop our RAP (<https://www.narragunnawali.org.au>).

Our BSPS RAP Working Group will be responsible for developing, maintaining and planning RAP actions at BSPS. We would like the process to be guided by the students as much as possible, and will ensure that we ask permission from Wurundjeri elders and community members throughout the process.

We are looking for **two parents/carers** to join our RAP Working Group. Responsibilities will include attending and contributing to monthly meetings and receiving and responding to relevant emails.

At this stage, the Working Group consists of:

- ◆ Two Wurundjeri Elders – Aunty Julieanne Axford and Aunty Gail Smith
- ◆ Four year six students – Evie Van Rooyan, Matthew Caruana, Jasmine Berrell and Ada Williams-Kriegler
- ◆ Five staff – Toby Mestitz (chair), Kate Base, Sarah Burdak, Marg Weymouth and Jarrod Brown

Our school staff have enthusiastically engaged in the process and have already taken the following steps so far: completed a survey to gauge understanding and develop questions; attended a whole school professional development session to draft our Vision of Reconciliation; met with the Wurundjeri Tribe Council; and invited Aunty Di to Welcome our school onto Wurundjeri land with a Smoking Ceremony.

Our next steps will include finalising our Vision for Reconciliation; creating an acknowledgement of country in each learning area; and having our first RAP Working Group meeting.

If you would like to be a part of our RAP Working Group, please email Toby, via the school email address, with a short expression of interest by **Wednesday 19th February**.

Some of our crime scene evidence:

Topic: *Forensic Science*

The **Grade 5/6** students are very excited about exploring the methods of forensic science.

Our first lesson commenced with an intriguing crime scene relating to the theft of some sugar cubes. Students had to analyse the crime science, identify possible evidence and form an initial hypothesis about who may have committed the crime. They also learned how to document a crime scene, ensuring that none of the evidence becomes contaminated or compromised when they enter the area.

This week, we investigated how fingerprints are used to identify suspects. The students made enlarged copies of their own fingerprints by placing an ink print on a balloon and then blowing up the balloon. They examined their fingerprint closely and identified its specific ridge pattern (loop, whorl or arch) and other characteristics. Next week, we will focus on how to lift prints from a crime scene and match the prints to the correct individual.

Can you see the loop?

The different types of fingerprint patterns

Topic: *Chemistry*

The **Grade 3/4** students are thrilled to be studying chemistry this term. Whilst the unit did not start with a big explosion, as they had hoped, their curiosity was triggered when we explored the molecular structure of solids, liquids and gases, making models of the different states of matter with various types of materials.

This week, we explored how different liquids behave in different ways, setting up a slippery slide to see how the 'viscosity' or thickness of a liquid influences the way it moves when it is not contained to a container. It was heaps of fun racing the different liquids to see which were the fastest and which were the slowest, although we did have to exhibit some patience as we waited for the syrup to finally reach the finish line!

PE NEWS

All the students have got off to a great start in PE.

We began the year with a hockey clinic, run by Hockey Victoria. All the students had a great time with the expert coaches. We learnt about dribbling and passing and played some great games, including Rob the Nest and Hocktopus.

It was wonderful to see some of our foundation students with hockey sticks on their first ever day of school PE.

We want students to be active every day, so it's important that they are always dressed appropriately. Runners, a broad brimmed or legionnaires hat, shorts or pants and a top that covers shoulders are best. Long dresses and slippery sandals can make it more difficult for students to be active.

If your child is unwell or injured please let me know, either in person, in writing or by emailing the office. It's important that I know what they can or can't do so I can safely accommodate them in PE classes.

Many thanks,

Rachel

ART

Grade 5/6 are discovering the strange and surreal world of the Belgian artist Rene Magritte. They are learning that the bizarre atmospheres are created by juxtaposing two things that generally don't belong together. Students worked in their scrapbooks to see if they can get some surreal ideas on paper, sometimes by thinking about their dreams. Have you ever seen a person in high heels running on an athletic tracks?!?

Grade 3/4 are learning that they can 'draw with scissors', as the French master Henri Matisse did when his health deteriorated towards the end of his life. They are experimenting with using not only the positive shapes but also the negative ones and deciding which colour to use in their collage. At a later stage, they'll need to consider the composition of their design.

Ciao a tutti! Sono Giuliana.

I'm very excited to be the **Performing Arts Teacher** at Brunswick South Primary this year. Students have been focused on the procedures necessary to enjoy learning in the Performing Arts Space - Il Piccolo Teatro.

It has been wonderful to meet so many enthusiastic students. So far, we have played getting to know you games during circle time, singing familiar songs and working in groups to act out various scenarios.

Ciao

Giuliana

PERFORMING ARTS

THE EASY WAY TO BOOK
**SCHOOL
INTERVIEWS**

Dear Parents/Carers,

On Monday 23rd & Tuesday 24th March, we will hold our Student Led Conferences for Semester 1.

Appointments can be made between 3:50pm - 6pm on either of these days.

You are only required to make ONE booking with ONE of your child's teachers.

Bookings must be finalised before Monday 23rd March at 3:30pm, as this event will close.

For parents that do not have internet access, please contact the office on 9380 1231 to make a booking.

Go to www.schoolinterviews.com.au and follow these simple instructions.

Simply enter the code and press "Go"

Enter your details

Select the teachers you wish to see

Select the appointment times that suit your family best

When you click **FINISH**, your interview timetable will be emailed to you automatically. If you do not receive your email immediately –
Check your junk mail folder AND make sure you have spelled your email address correctly

You can return to www.schoolinterviews.com.au at any time, and change your interviews - until the bookings close on **Monday 18th March at 3:30pm.**

You may change your bookings, any time prior to the closing date, by re-visiting the www.schoolinterviews.com.au website, and using the event code. Remember to use the same name and email address, you used when you made your original booking. Parents wishing to change their interview times after the closing date, should contact the school directly on: 9380 1231

We would love to hear what you think about online booking. If you get time, click on the "contact us" button on the www.schoolinterviews.com.au website, and leave some feedback - anonymously if you wish, but please include the school's name and suburb.

What is a School Council and what does it do?

All government schools in Victoria have a School Council. They are legally constituted bodies that are given powers to set the broad directions of a school in accordance with their constituting Order and the *Education and Training Reform Act 2006*. In doing this, a School Council is able to directly influence the quality of education that the school provides for its students.

Who is on the School Council?

For most primary school councils, there are three possible categories of membership:

- **A mandated elected Parent category** - more than one-third of the total members must be from this category. DET employees can be Parent members at their child's school as long as they are not engaged in work at the school.
- **A mandated elected DET employee member category** - members of this category may make up no more than one-third of the total membership of School Council. The Principal of the school is automatically one of these members.
- **An optional Community member category** - members are coopted by a decision of the Council because of their special skills, interests or experiences. DET employees are not eligible to be Community members.

Why is Parent membership so important?

Parents on School Councils provide important viewpoints and have valuable skills that can help inform and shape the direction of the school.

Those parents who become active on a School Council find their involvement satisfying and may also find that their children feel a greater sense of belonging.

Do I need special experience to be on School Council?

Each member brings their own valuable life skills and knowledge to the role. However, councillors may need to develop skills and acquire knowledge in areas that are unfamiliar to them. It is important to have an interest in your child's school and the desire to work in partnership with others to help shape the school's future.

Code of Conduct for School Councillors

School Councils in Victoria are public entities as defined by the Public Administration Act 2004. School Councillors must abide by the Code of Conduct for Directors of Victorian Public Entities issued by the Victorian Public Sector Commission. The Code of Conduct is based on the Victorian public sector values and requires councillors to:

- **act with honest and integrity** (be truthful, open and clear about their motives and declare any real potential or perceived conflict of interest and duty).
- **act in good faith** in the best interest of the school (work cooperatively with other councillors and the school community, be reasonable and make all decisions with the best interests of students foremost in their minds).
- **act fairly and impartially** (consider all relevant facts of an issue before making a decision, seek to have a balanced view, never give special treatment to a person or group and never act from self-interest).
- **use information appropriately** (respect confidentiality and use information for the purpose for which it was made available).
- **exercise due care, diligence and skill** (accept responsibility for decisions and do what is best for the school).
- **use the position appropriately** (not use the position as a Councillor to gain an advantage).

- **act in a financially responsible manner** (observe all the above principles when making financial decisions).
- **comply with relevant legislation and policies** (know what legislation and policies are relevant for which decisions and obey the law).
- **demonstrate leadership and stewardship** (set a good example, encourage a culture of accountability, manage risks effectively, exercise care and responsibility to keep the school strong and sustainable).

Indemnity for School Council Members

School Councillors are indemnified against any liability in respect of any loss or damage suffered by the Council or any other person in respect of anything necessarily or reasonably done, or omitted to be done by the Councillor in good faith in:

- (a) the exercise of a power or the performance of a function of a Councillor, or
- (b) the reasonable belief that the act or omission was in the exercise of a power or the performance of a function of a Council.

In other words, School Councillors are not legally liable for any loss or damage suffered by council or others as a result of reasonable actions taken in good faith.

How can you become involved?

The most obvious way is to participate in and vote in the School Council elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might consider:

- standing for election as a member of the School Council.
- encouraging another person to stand for election.

School Council Induction Video

The School Council induction video provides a summary of the purpose and responsibilities of School Councils as well as the roles and responsibilities of School Councillors. The video can be viewed on the Department's website at School Councils.

<https://www.education.vic.gov.au/school/teachers/management/community/Pages/schoolcouncils.aspx>

What do you need to do to stand for election?

The school will issue a Notice of Election and Call for Nominations following the commencement of Term 1 each year. All School Council elections must be completed by the end of March unless the usual time line has been varied by the Minister.

If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category.

DET employees whose child is enrolled in a school in which they are not engaged in work are eligible to nominate for parent membership of the School Council at that school.

Once the nomination form is completed, return it to the school within the time stated on the Notice of Election. You will receive a Nomination Form Receipt via post email or by hand following the receipt of your completed nomination.

If there are more nominations received than there are vacancies on Council, a ballot will be conducted during the two weeks after the call for nominations has closed.

Brunswick South
PRIMARY SCHOOL

Notice of Election and Call for Nominations

An election is to be conducted for members of the School Council of Brunswick South Primary School.

Nomination forms may be obtained from the school office and must be lodged by **4.00 pm on Monday 17th February 2020**.

The ballot will close at **4.00 pm on Monday 2nd March 2020**.

Following the closing of nominations, a list of the nominations received will be posted at the school. The terms of office, membership categories and number of positions in each membership category open for election are as follows:

MEMBERSHIP CATEGORY	TERM/ OF OFFICE	NUMBER OF POSITIONS
Parent member	From the day after the date of the declaration of the poll in 2020 To and inclusive of the date of the declaration of the poll in 2022	2
DET employee member	From the day after the date of the declaration of the poll in 2020 To and inclusive of the date of the declaration of the poll in 2022	1

WELCOME!

Your Community & Fundraising Team (CaF) coordinates a number of wonderful events throughout the year to engage the school community and raise funds to support the school.

February

Welcome picnic (Tuesday 18th February 5pm-6.30pm following the Information Afternoon)

Whether you are new to BSPS or an "elder" let's get together for a picnic on school grounds

to welcome the start of a fantastic year at Brunswick South Primary School. This is a BYO food event, though though the grade 5/6 "elders" will kindly run a sausage sizzle, bar and gelati available for purchase.

March

Parents' Trivia Night (Saturday 14th March)

Brush up on your trivia and book the babysitter, a great night of fun and quizzes with BSPS' own amazing quizmasters awaits you. If you are Foundation parents, or new to BSPS, you should make this a compulsory event as you will get to meet your fellow parent community in many unsuspected ways. This is a BYO food event with a bar available for purchasing wine, beer and other drinks.

May

Mothers' Day Stall

(Friday 8th May)

Everyone loves a craft and bake sale! Get your crocheted thinking hats on and your baking scaled dusted in preparation!

June

Winter Solstice Festival (Saturday 20th June)

BSPS' much-anticipated Winter Solstice Festival brings together members of our school and the wider community to celebrate the school through food, music, lights, kids' activities, lantern parade and magic. An evening to remember.

This is our biggest school event with lots of activities that make for an awesome night. It also recognises that everyone has something to contribute — time, baking or craft skills, prize donations, business contacts to sponsor, assistance in obtaining goods, etc.

Planning for this event is about to start and if you would like to get involved in any way we would love to hear from you! Please email bspscaf@gmail.com.

September

Fathers' Day Stall (Friday 4th September)

Everyone loves a bake sale, especially for a good cause as we will be raising funds for a related charity.

IT TAKES A VILLAGE TO RAISE A CHILD

Our events are a lot of fun, planning for them is also an enjoyable, rewarding and effective way to support your school. Planning catch ups are often organised at local pubs and a great way to connect with other BSPS parents.

Any help is much appreciated, whether you only have a specific period/times to help out, or regular availability.

Volunteering also makes a big difference.

Research consistently shows that kids whose parents are involved in their school do better and

My Child and Autism

A workshop for parents

REGISTER TODAY!

How Early Days can help:

Early Days provides workshops for parents and other family members of children 0-6 who have an Autism Spectrum Disorder (ASD) diagnosis or are going through the assessment and diagnosis process.

What this workshop offers:

- Learn about ASD and what it means for your child and your family
- Learn practical strategies that can make a difference to your child's development
- Learn how to navigate early intervention

More about Early Days workshops

- Free to attend
- Held in small groups of 4-15 and gives you an opportunity to meet other parents
- Lunch & light refreshments provided
- Childcare is NOT provided

It is highly recommended you attend this workshop prior to attending any other Early Days workshops
